1. Introduction

Aviruddha Productivity Pvt. Ltd. ("Company", "we", "us", or "our") respects the privacy of our clients, website visitors, and business partners. This Data Privacy and Usage Policy governs the collection, processing, storage, and protection of information collected through our official trade portal and inquiry channels.

By submitting an inquiry or accessing our website, you agree to the collection and handling of your data in accordance with this policy.

2. Information We Collect

We collect business-related contact details and technical specifications necessary to facilitate commercial transactions, product sourcing, and engineering consultations:

- **Contact Information:** Full name, corporate email address, contact phone number, and designation.
- **Company Credentials:** Registered company name, office/plant address, GST details (where applicable), and industry domain.
- **Commercial Inquiries:** Specific product requirements, tooling models, CAD specifications, estimated volumes, and custom message context.
- **Technical Logs:** Standard server telemetry, including browser type, IP address, device viewport, and basic session duration metrics collected for performance optimization.

3. How We Use Your Information

Data gathered through our quote request and contact systems is utilized strictly for lawful business purposes:

- **Inquiry Fulfillment:** Processing commercial quotations, technical feasibility evaluations, and delivery schedule estimates.
- **Direct Communication:** Responding directly to RFQs (Requests for Quotation), phone queries, or emails regarding tooling and machinery lines.

- **Account Servicing:** Providing after-sales support, warranty information, and shipment tracking.
- **Service Improvements:** Diagnosing server connection performance and optimizing our digital catalog structure.

Zero Third-Party Data Sales: We do not sell, rent, monetize, or disclose your corporate or personal data to third-party advertisers, data brokers, or marketing syndicates under any circumstances.

4. Data Sharing & Third-Party Processors

Your information is retained internally. It is disclosed only under the following strictly defined conditions:

- **Authorized Manufacturing Partners:** Select technical product parameters may be shared with our designated international brand principles (e.g., Re-Bo, Saar-Hartmetall, KWS, MAQ, La-Co Markal) solely to configure custom engineering tooling or obtain manufacturer direct specs.
- **Infrastructure Service Providers:** Cloud infrastructure partners, hosting platforms (e.g., Vercel, Render), and enterprise mail gateway relays that facilitate portal operations under strict confidentiality obligations.
- **Statutory Compliance:** Disclosure required under enforceable legal orders, statutory audits, or regulatory compliance mandates established by Indian legal authorities.

5. Data Storage and Security

We implement administrative, technical, and physical safeguards designed to protect collected information:

- **Encryption:** Data in transit is secured using modern industry-standard Transport Layer Security (TLS/SSL) encryption protocols.
- **Access Control:** Production databases and server dashboards are restricted to authorized operational personnel via role-based access credentials.
- **Retention Policy:** Inquiries and quotation correspondence are maintained only as long as necessary to satisfy operational commercial requirements or statutory accounting guidelines.

6. User Rights

As an enterprise client or website visitor, you retain full ownership over your submitted business records:

- **Right of Review:** Request a copy of the specific contact details and inquiries retained in our operational systems.
- **Right of Correction:** Request timely rectification of inaccurate, outdated, or incomplete corporate records.
- **Right of Deletion:** Request permanent removal of your contact information from our active commercial outreach pipelines (subject to statutory transaction record laws).

To exercise any of these rights, contact us directly at ganesh@aviruddha.com.

7. Policy Updates

Aviruddha Productivity Pvt. Ltd. reserves the right to revise this policy periodically to reflect updates in cloud infrastructure, site operations, or statutory legislation. Changes take effect immediately upon upload to the portal.
